

Declaration of Conformity

Manufacturer's Name: Moog GmbH – Niederlassung Memmingen
Manufacturer's Address Allgäustr. 8a
87766 Memmingerberg

We as the manufacturer and distributor hereby declare that the listed SmartMotoren™ (motors intended for installation) with "Class 5" electronics comply with the following European regulations.

SM23165D-xx, SM23165DT-xx, SM34165D-xx, SM34165DT-xx, SM23165S-xx,
SM23165ST-xx, SM34165S-xx, SM34165ST-xx, SM23165MT, SM34165MT-xx

(Part numbers may include additional suffixes.)

EMC Directive: 2014 / 30 / EU

RoHS Directive: 2011 / 65 / EU
2015 / 863 / EU

Full compliance of the motor to the above referenced Directives is to be determined in the end-use.

Supplementary Information:

The following standards were used as reference standards for declaring compliance to the above Directives as a component for building into other equipment. Additional standards may be applicable and are the sole responsibility of the end-user:

EMC requirements: DIN EN 61326-1:2013, Table 2
DIN EN 61800-3:2019, 2nd environment C3
For industrial use:
EN 55011, CISPR 11 Class A

Ort: Memmingerberg
